

What makes TranzactCard different?

The Card

With this first of its kind Visa® bank card you double your dollarz on every transaction. TranzactCard provides you with a system where your money works for you.

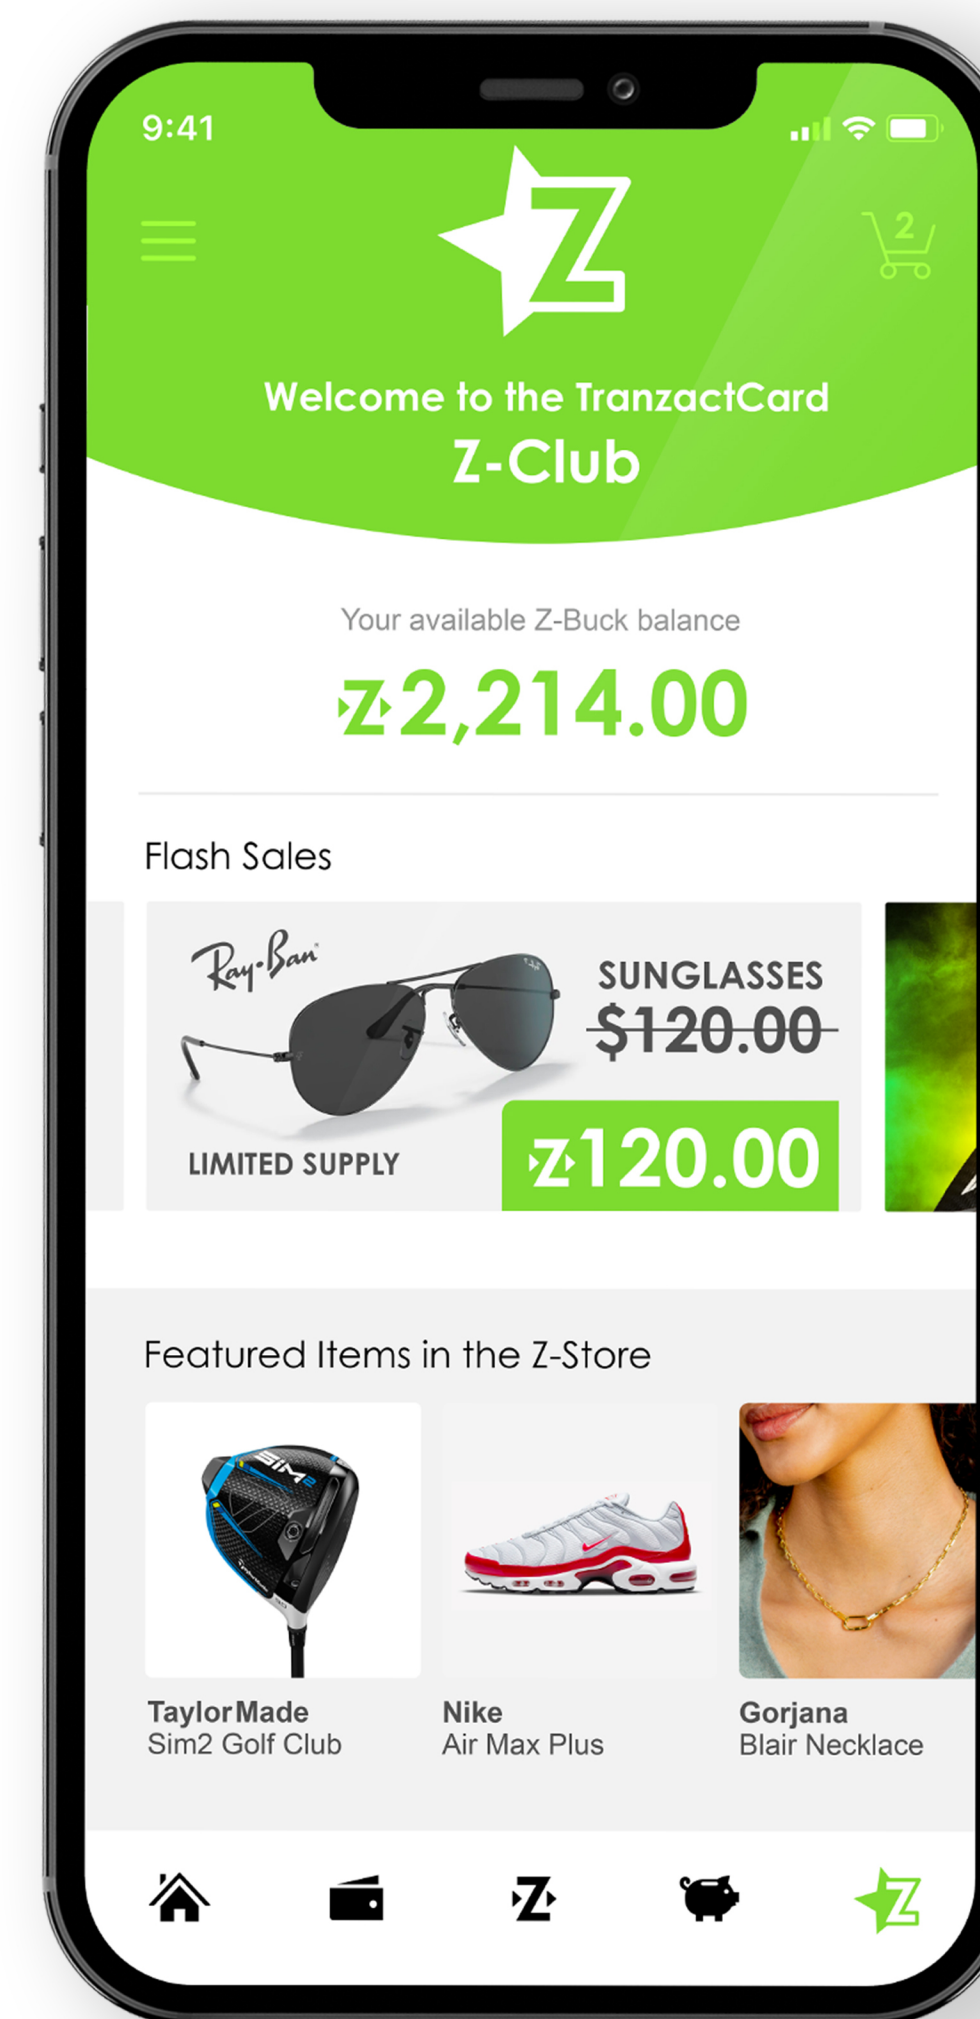

The Z-Buck

Every time you spend a US dollar using your TranzactCard, anywhere (gas, groceries, restaurants, bills, anything), you earn a matching Z-Buck to spend inside TranzactCard's marketplace Z-Club.

The Z-Club

The Z-Club is TranzactCard's online private marketplace where all those earned Z-Bucks can be redeemed toward the purchase of everyday goods, services, travel, and more.

For example, a pair of name brand shoes that retails for \$100 may be bought with 50 Z-Bucks and 50 out of pocket dollars.

Some products, such as flash sale items and other specialty items, can be fully purchased with Z-bucks only.
