

# New Cash Network

## Weekly Webinar Schedule

We recognize with how quickly TranzactCard is moving, you may feel there are an overwhelming amount of tools, webinars, calls etc.

We are providing a general schedule of the most important events.

You may want to use many of the tools listed here. Having said that a good balance would be **minimum 1 team webinar** per week, **1 corporate zoom** /week and **optional 1 onboarding webinar** per week.

The rest of the tools and schedule you can use as needed.
